Important Information

- Please visit the Repay section on our mobile application for multiple repayment options.
- You can visit the Menu section of our app to check your SmartRepay status and register for auto debit of repayments from your bank account
- Once your SmartRepay is registered, we will present the SmartRepay Instrument (ECS/NACH/SI) on the due date of every month. Please maintain sufficient balance in your registered bank account to avoid additional charges for non-receipt of payment
- We levy payment bounce charges of Rs 500 (taxes extra, if applicable) at every instance of bounce and late payment charges @3% of the overdue amount or Rs 500 (taxes extra, if applicable) whichever is higher
- If you require any further details on your loan, please email us at care@fibe.in
- Under an initiative of the Government of India and the Reserve Bank of India (RBI), to improve functionality and stability of the Indian financial system, all banks and financial institutions are required to share customer data with Credit Information Companies (CICs). CICs are repositories of information shared by banks, NBFC etc. and they collect, maintain and provide credit information on all borrowers to financial institutions
